Board of Equalization

July 21, 2015

Deuel County Board Minutes

The Deuel County Board of Equalization reconvened after a recess from July 7 on the above date at 10:15 a.m. to hear protests of real property in and for Deuel County with the following officials present: Commissioner Steve Fischer, Commissioner William Klingman, Commissioner Jerome Radke, County Attorney Joel Jay, County Assessor Jean Timm and County Clerk Polly Olson. Also present were Nebraska Department of Revenue, Property Tax Division Mark Loos, county liaison and Sara Scott also with Nebraska Department of Revenue and Deputy County Assessor Marjorie Radke.

The first protests to be heard today involves land owned or interest held by Kevin Derry. He was present as well as Jared Derry and Attorney Dick Dudden representing the Derry family. Assessor Timm first explained the process of how values are established and why there are “borrowed” sales from other counties. Mr. Derry expressed concerns regarding not knowing how the values are established and he indicated that the general lack of information is hard to digest. He presented information obtained by the NRD to provide evidence that Keith County should not be used as a comparable to Deuel County. He has assessments and 65% increases in valuation. He didn’t want to let the time run out for the appeal. He didn’t feel that 30 days was enough. Assessor Timm reiterated that “borrowed” sales do not dictate the full valuation of Deuel County or run the valuations up. Kevin Derry was sworn in by County Attorney Joel Jay. The Statement accompanying the protests was read into record by Assessor Timm.
