The Deuel County Commissioners met on the above date with the following officials present: Chairperson Steve Fischer, Commissioner William Klingman, Commissioner Jean Timm, County Attorney Jonathon Stellar and County Clerk Polly Olson. The meeting, notice of which was published in the Chappell Register as according to law, was called to order with the Pledge of Allegiance, followed by a moment of silence. Reference was made to open meeting laws, posted at the entrance of the room. The agenda was approved upon motion of Commissioner Klingman, second of Commissioner Timm. Fischer, aye, Klingman, aye, Timm, aye. The minutes of the January 21, 2020 and January 28, 2020 meetings were approved upon motion of Commissioner Timm, second of Commissioner Klingman, with the inclusion that Commissioner Klingman had an excused absence January 21, 2020. Fischer, aye, Timm, aye, Klingman, aye.

County Clerk Polly Olson presented a report of fees collected in the office for the month of January 2020, in the amount of \$1,114.98. This report was reviewed and accepted for filing.

Deuel County Sheriff Scott DeCoste presented a report of fees collected in his office in the amount of \$257.25 for the month of January, 2020. This report was reviewed and accepted for filing.

There was no action for the Board of Equalization.

County Attorney Jonathon Stellar discussed the recommended position the NIRMA attorneys have indicated the county should take regarding the Frenchman Valley Co-op request to reconsider petition for refund. The original claim was denied by the Board of Commissioners. The recommendation is to "not act" as there is an Appeal filed with the State of Nebraska from the District Court Case decision filed in Deuel County. No action was taken.

Discussion was held regarding the per therm offers from Vista and Black Hills. The board indicated that they would go with Black Hills if it is .55 or less at fixed rate. The fuel contract with Frenchman Valley Co-op was approved for ½ transport, 3 locations at \$2.14 per gallon, winter blend, upon motion of Commissioner Klingman, second of Commissioner Fischer. Concerns were that winter blend was not what was received in the past. It will be reiterated that Mr. Ortgies will be made aware of the concerns. Discussion was held regarding the time clocks and the possibility of having over-time if not clocked in right at the time to start and then out at the time designated. County Attorney Stellar will contact the county auditor and see what the requirements are to avoid complications if audited by the IRS, and then draft a letter to each employee using the times clocks. The possibility of hiring a full-time road supt. was discussed. Information from Panhandle counties will be obtained to see if this would be feasible for Deuel County. The road project south of Big Springs was discussed. Specifications for bid letting for this project will be presented at the next meeting.

Sheriff Scott DeCoste reported on activities within his office. He suggested that Assesor Marica Schievelbein take his place as Safety Committee Chair. While the board did not object to his request it will be placed on the next agenda. He also reported that his office administrator has resigned her position. He is in the process of obtaining applications for the vacancy.

Val Jansante, Aide for Congressman Adrian Smith met with the board to give an update of what is going on with the Congressman's office and the preparation of the mobile offices, one of which is scheduled later this morning here at the courthouse. He believes that Congressman Smith really has the best interests of Nebraska at heart.

Warrants in the amount of \$104,293.79, were approved upon motion of Commissioner Klingman, second of Commissioner Fischer, (Payroll \$32,297.08, Claims \$72,096.71), Klingman, aye. Timm, aye, Fischer, aye.

Matt Larson with Vistabeam met with the board to request approval of a co-application for a Broad-band grant to enhance the internet in the Deuel County. The deadline is February 26. County Treasurer Bernie Littlejohn contacted the State auditor's office. According to the Deann Haeffner of the State Auditor's Office, the board should contact the agency providing the grant to obtain the needed information prior to entering into this type of agreement. The Public Service Commission is the entity that is awarding the grant. The Board consensus was as follows: this is a worthwhile project, but the deadline for submission doesn't allow for the proper procedures to be in place to amend the county budget, therefore, the County declines participation.

April 21, 2020

Teleconference as per Governor Ricketts Executive Order No. 20-03

The Deuel County Commissioners met via teleconference on the above date with the following officials participating: Chairperson Steven Fischer, Commissioner William Klingman, Commissioner Jean Timm, County Attorney Jonathon Stellar and County Clerk Polly Olson. Road and Bridge supervisor Kelly Kopetzky and Office Administrator Chauntine Snell requested clarification of the 4-10 hour work days on the 3rd of July. The July 4th holiday is observed the 3rd of July, a Friday which is the day off for the road laborers during the 4-10 hour shifts. The road laborers are instructed to stagger the holiday, some will have off Thursday preceding the holiday and the others Monday after the holiday, ensuring that someone is working on both the Thursday and Monday and not all gone on both days. Employees are encouraged to wear the masks provided by the county when in vehicles together and they are not able to keep 6 foot of distance within the work space. It was reported that 8 tons of cold mix only completed 2 miles of the Day Road, which in the past could cover filling the pot holes on the whole road. Maintenance was discussed for the road by the Flying J (formerly Bosselman's) in Big Springs. This road was removed from the county one and six in 2007, when the Village of Big Springs annexed the property. This portion of road maintenance became under the jurisdiction of the Village of Big Springs at that time.

He reported that the doors will be programmed to automatically open at 7:59 a.m. and close at 4:00 p.m. If electricity goes out, the generator should provide power.

County Attorney Jonathon Stellar discussed offering a "hazardous duty pay" during this time to the Sheriff and deputies. He has not received information from his request of NIRMA at this time. He reported that this is being done in larger agencies in the East. It may be for 6-9 months. More information will be obtained and presented to the board.

Assessor Marica Schievelbein reported that a TERC Show Cause hearing will be held for Deuel County on April 29, 2020 at 8:00 a.m. Dryland should be at 72% of actual value and is currently at 79%.

The meeting, notice of which was published in the Chappell Register as according to law, was called to order with the Pledge of Allegiance, followed by a moment of silence. Reference was made to open meeting laws, posted at the entrance of the room. The agenda was approved upon motion of Commissioner Klingman, second of Commissioner Timm. Fischer, aye, Klingman, aye, Timm, aye. The minutes of the July 21, 2020 meeting were approved upon motion of Commissioner Timm, second of Commissioner Klingman. There was no action for the Board of Equalization.

Rental policies and procedures for the Deuel County Fairgrounds were discussed. Fair board member Leslie Snell was present to answer any questions. The Commissioners requested that no private gatherings be allowed at this time, to follow with the health directives from the Governor. For the time being, wedding receptions that have been scheduled will be allowed, nothing else. The County does not promote large gatherings and nothing will receive approval without the guidance of the Panhandle Health Department (PHD). PHD receives and reviews the event plans prior to scheduling. County Attorney Stellar will provide an attachment for the fair board to be included with the applications to rent the county owned facility. County liability issues were discussed. If alcohol is consumed on public property, (regardless if sold or not), a special designate permit, from the Liquor Control Commission, must be obtained (NRS 53-124.11). Prior approval for the special designated permit must be obtained from the Commissioners and the Sheriff. The fair activities scheduled for the 4-H youth have obtained prior approval from PHD, using the health directives used as guidance.

Discussion was held regarding the activities within the highway dept. Present to answer questions were office administrator Chauntine Snell and highway supervisor Kelly Kopetzky. It was also noted that the approval of the bid specifications for publication will be reviewed during the August 18 meeting.
